

MIRRAMBIKA™

FEED & FOOD DIVISIONS

Product Catalogue

Driving Agricultural Excellence

Mirrambika | A brand of Auro Group

+91 82872 96672 | customersupport@mirrambika.com | www.mirrambika.com

CIN: U15490BR2019PTC044155

Two specialised divisions - high-performance Feed and precision-milled Food ingredients - engineered on world-class Buhler (Swiss) technology. Standard packaging is 50 kg; custom packaging is available on request for bulk and export orders.

Feed Division - Fish Feed

Engineered for superior water stability and precise nutrient delivery, with controlled buoyancy for clean ponds and an optimal Feed Conversion Ratio (FCR). Manufactured under ZED Gold, FSSC v6 and FSMA standards.

FLOATING FISH FEED

Code	Grade P/F	Die (mm)	Bag (kg)	Protein %	Fat %	Fiber %	Ash %	Moist %
FF1	40/6	Nursery	10	40	6	3	10	10
FF2	40/6	0.6	10	40	6	3	10	10
FF3	40/6	0.8	10	40	6	3	10	10
FF4	32/5	1.0	20	32	5	4	10	10
FF5	32/5	1.5	20	32	5	4	10	10
FF6	30/5	2.0	20	30	5	5	10	10
FF7	30/5	3.0	25	30	5	5	10	10
FF8	28/5	4.0	40	28	5	6	10	10
FF9	24/4	3.0	40	24	4	6	10	10
FF10	24/4	4.0	40	24	4	6	10	10
FF11	20/3	4.0	40	20	3	6	10	10

SINKING FISH FEED

Code	Grade P/F	Die (mm)	Bag (kg)	Protein %	Fat %	Fiber %	Ash %	Moist %
SF1	28/5	3.0	50	28	5	5	10	10
SF2	24/4	3.0	50	24	4	6	10	10
SF3	20/3	3.0	50	20	3	6	10	10

POLYCULTURE SINKING FISH FEED

Code	Grade P/F	Die (mm)	Bag (kg)	Protein %	Fat %	Fiber %	Ash %	Moist %
PF1	28/5	2.0	25	28	5	7.5	10	12
PF2	22/4	2.0	25	22	4	7.5	10	12

Feed Division - Cattle Feed

Scientifically blended, highly palatable dairy nutrition rich in bypass proteins and minerals to boost daily milk yield and fat content. Certified by ISO 9001:2015 and HACCP.

Variant	Protein	Fat	Pack Sizes	Description
Milk Boost	24%	4%	25 & 50 kg	High-protein formulation that helps cattle produce up to 20-25 litres of milk per day.
Max Milk	20%	4%	50 kg BOPP	Economical, high-yield feed supporting up to 10-15 litres per day and better overall health.
Milk Plus	18%	3%	25 & 50 kg	Balanced daily nutrition with essential vitamins and minerals for consistent, good-quality milk.
Mash Cattle Feed	18%	3%	50 kg	Mash-form feed for easy digestion and higher intake, made from all-natural raw materials.

Food Division - Premium Maize Grits

A leading maize processing operation transforming locally sourced Bihar maize into premium-quality grits and flour using advanced Buhler technology - with consistent quality, traceability and value addition at every stage.

GRIT CATEGORIES

- **Fine Grits** - Ideal for porridge, breakfast cereals, and weaning foods.
- **Medium Grits** - Perfect for traditional dishes, snacks, and bakery products.
- **Coarse Grits** - Used in animal feed, industrial starch production, and biofuel applications.

PRODUCT RANGE

Corn Grits for Extrusion Industries

EXTRUSION INDUSTRIES

Degermed, dry-milled corn for ready-to-eat cereals, snacks, noodles and pasta - with optimal particle size for perfect texture and expansion.

Corn Grits - Coarse & Medium

TYPE 101 / 101A / 102 / 104 / 106

Medium and coarse particles crafted for the food industry and extruded snacks - no artificial colours or preservatives.

Corn Grits - Fine, Super & Extra Fine

TYPE 108 / 109 / 111 / 115

Finely refined grits processed to customer-specified dimensions, produced in hygienic, controlled conditions.

Corn Flaking Grits

CORN FLAKES

The largest particle size, crafted for traditional corn-flake production with premium grit size and purity.

Corn Flour

COARSE & FINE

Fine granular flour used as a filler, binder and thickener in bakery, pancake mixes, snack foods and cereal blends.

Hominy Feed

CORN BY-PRODUCT FEED

Nutrient-rich corn by-product from the milling process - an economical, high-energy feed ingredient for cattle and other livestock.

Parameters measured for every food product include: Moisture, Fat, Total Ash, Protein, Alcoholic Acidity, Density, Starch Content, Crude Fiber, Black Specs, Discoloured, Damaged, Whole Kernels, Cobs/Stalk, Free Germs and Shell Attached. Full lab-verified specification sheets are shared with buyers on request.

Certifications & Compliance

- **ZED Gold** - Zero-defect, zero-effect manufacturing and environmental sustainability.
- **FSSC 22000 v6** - Comprehensive food & feed safety management systems.
- **ISO 9001:2015** - World-class, audited quality management and consistent production.
- **HACCP Certified** - Preventative hazard analysis at every production stage.
- **FSSAI Registered** - Licensed to India's national food-safety standards.
